# CELEBRATING SUPERHEROES

Working together to raise tomorrow's superheroes

★ 2019 AUCTION ★

# WELCOME TO THE **EIGHTH ANNUAL AUCTION FOR NORTH BEACH ELEMENTARY**

Thank you for joining us for an evening Celebrating Superheroes! Tonight, our community of parents, grandparents, neighbors, teachers, and friends come together to support our school and raise tomorrow's superheroes. Our children thrive because they are surrounded by people who believe in them and value them as individuals and members of our school community. Your generosity tonight will help every child grow academically and personally - so please bid early, often, and generously!

Our North Beach PTA provides many opportunities for our children that aren't available at every school:

- Music Program
- Tutors
- Counseling
- Technology
- Playground Equipment
- Leveled Libraries in Classrooms
- Author Visits
- Teacher Mini-Grants
- And so much more — all provided by the PTA!

These programs - which inspire our children today - help our children explore who they are right now and think about who they want to become tomorrow.

We especially thank our North Beach teachers and staff tonight. These amazing superheroes give our children an incredible educational experience every day, using their superpowers to perform an astounding number of feats as they join us in the mission of raising tomorrow's superheroes.

Please enjoy this evening. Laugh with friends, seek out spectacular treasures in the silent auction, and join in the excitement of live bidding.

When we come together as a community, anything is possible!

# FROM OUR PRINCIPAL

Dear North Beach Parents and Community,

Thank you in advance for coming together this evening to support and celebrate the current and future superheroes who comprise this incredible community. Over the years, efforts from the auction have provided our staff and students with what they need to maintain an excellent teaching and learning environment. Proceeds from the auction have funded crucial support to the school including our school counselor, tutoring, technology, curricular materials, library books, classroom supplies, and many other critical items. Our school knows no limits when we come together to support our building. Just by being here, you are saying, “We support North Beach” ... and all while having a great time!

When I am asked why I wanted to be the principal at North Beach, it is easy for me to answer: the amazing teachers, the wonderful children who attend the school, and the incredibly supportive community that comes together to provide the best experience possible for the staff and students. Please know that our success could not be possible without you and all the stellar volunteers for this event. I hope you have fun tonight and engage in the bidding to raise funds that will enhance the growth of our learning community, and ultimately, your child’s education. Thank you to everyone who has contributed — raise a glass and your paddle for North Beach!

Sincerely,

Kristine McLane

Principal

# WINNING OPPORTUNITIES

## **Golden Ticket Raffle**

**5:30-7:30 p.m. while tickets last; winner announced at 7:45 p.m.**

100 golden raffle tickets will be available for \$50 per ticket. With each raffle ticket, you also receive a superhero wristband to wear throughout the evening. Our auctioneer will draw the winning ticket right before the live auction begins. The ticket holder, who must be present to win, may select a prize from the live auction. Three packages are excluded from the Golden Ticket Raffle: Go for the Gold, Holland America Cruise, Three Nights at the Ho'olio House in Maui.

## **Community Events Wall**

**5:30-7:30 p.m.**

A not-to-be-missed community event awaits you! There is no bidding on these outrageously fun-filled events offered for adults, children, or both, donated by our teachers and others from our community. Simply sign up wherever there is an open slot and for a fixed price, the experience is yours. Be sure to include your email address with your sign-up so that the event lead can contact you with details. Don't dilly-dally, because spots for these coveted events fill up fast!

## **Silent Auctions**

**5:30-7:00 (silent #1-red tables)**

**5:30-7:15 (silent #2-blue tables)**

Again this year we will have two silent auctions. While mingling with others from the community, you will be able to peruse the silent auction tables and place your bids on the accompanying bid sheets. Watch your bids throughout the evening and raise them as desired until each silent auction closes. You can also guarantee that you'll win a particular item by writing your bid number next to the "Guaranteed Bid" price (generally 150 percent of the value reported by donor). When each silent auction closes, a member of the auction committee or a trained volunteer will circle the winning bid number on each bid sheet in that section.

## **Blue Line Bidding**

**5:30-7:00 (silent #1-red tables)**

**5:30-7:15 (silent #2-blue tables)**

Every silent auction bid sheet includes a Blue Line. If you place your bid on the Blue Line, you are automatically entered to win a \$250 gift certificate to El Gaucho - even if you don't win the item you are bidding on. The drawing will take place when the silent auction closes. Winner will be announced during the live auction.

## **Buy-It-Now Table**

**5:30-7:30 p.m. while items last**

Items on the “Buy-It-Now” table are available for immediate purchase. Simply write down your bid number and the item is yours!

## **Grab-N-Go Boards**

**5:30-7:30 p.m. while items last**

Gift cards hanging on the Grab-N-Go boards are available for purchase at their retail value. It's money you'd likely spend at these businesses, anyway ... only by purchasing them tonight you are supporting North Beach's staff and students! Simply arrive early, grab a certificate, write your bid number on the back, and drop it off in the Grab-N-Go box. At the end of the evening, during check out, the gift card will be yours. See page 13 for a listing of available gift cards, or just visit the Grab-N-Go wall concurrent to the silent auctions.

## **Live Auction**

**7:45-9:30 p.m.**

Shortly after dinner has been served, the live auction with 19 highly valued items and packages will begin. Our auctioneer will describe each item available. To bid, simply raise your bid card toward the auctioneer, who will acknowledge and announce the highest bidder.

## **Heads or Tails**

**During Live Auction**

For \$25 per participant, you can play Heads or Tails for a chance to win a \$200 gift card for an Ethan Stowell Restaurant. During the live auction our auctioneer will ask all Heads and Tails participants to stand up and put their hands on their heads ... or their tails. The auctioneer will then flip a coin and call out either heads or tails. Those with their hands on the “winning end” stay standing ... while others who've been eliminated sit down. This game continues until the number of players standing whittles down to a handful. The last player standing who's selected the right “end” for the coin toss wins.

## **Gift Card Frenzy**

**During Live Auction**

Midway through the live auction, our auctioneer will announce the gift cards available on a first-come, first-bid basis. Stay on top of your game, as we have an array of fabulous gift cards and the frenzy tends to go quickly. Restaurants and retailers include Poquitos, PCC, Shelter Lounge, American Girl Store, Stoneburner, Shell gas stations, Canlis Restaurant, and more. See page 14 for a listing of available gift cards during the Gift Card Frenzy. Gift cards may sell for more than face value during the live auction.

## **Dessert Dash**

### **During Live Auction**

Combine bids with the others at your table to claim one of the delicious desserts available at the auction. The table with the highest bid gets first chance at dashing to the dessert of your choice! You'll need to be fast, though, to get your favorite dessert ... because the next winning table number will be called quickly. It's called a DASH for a reason!

# OTHER BIG WAYS TO SUPPORT NORTH BEACH

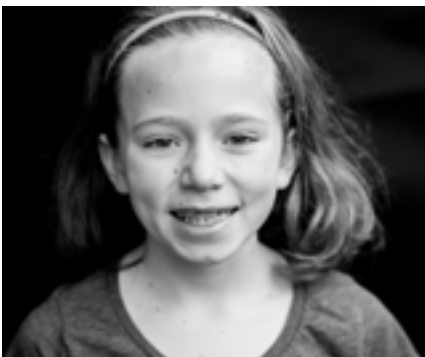

## Fine Art Portraits

5:30-7:30 p.m.

This is our sixth year of our community's professional photographers **Phillipa Dugaw** and **Mary Balmaceda** generously volunteering their time to offer beautiful fine art portraits of our students in support of our school. If you submitted the form to buy a pre-paid amount for print credit, you'll find your child's image among the gallery proofs on display during the silent auction.

To order prints, visit <https://northbeachpta.shootproof.com>, password: nbauction2019. There is one gallery where you will find individual and sibling images of your children. Choose the prints you'd like and at the end of the check-out process, simply input your coupon code to receive your print credit. Order as many prints as you would like and don't forget to share with family and friends. The coupon code for print credit can only be used one time per family.

Print orders must be placed by May 5th to receive free shipping to the school before the end of the school year. Orders after May 5th will incur additional shipping costs.

## **Classroom Superhero Art**

5:30-7:30 p.m.

Ms. Gabrielson has worked with our third-, fourth-, and fifth-grade students to create superhero art. Just as your kiddos treasure their class photo each year, they'll also adore this poster with their favorite superpowers illustrated and professionally printed alongside that of their classmates'.

To order a classroom poster, please write your bid number next to the poster proof on display during the silent auction. Printed posters will be delivered via Kid-Mail by June 14th.

## **Raise-the-Paddle**

### **During Live Auction**

Every family at North Beach benefits from the added support that the PTA provides the school. Next year will be no different. As state funding for public schools continues to be uncertain, our school will be asked to tighten its belt and to do more with less.

Tonight's Raise-the-Paddle will help support our school's counselor position. Did you know that without PTA funding, North Beach would not have a counselor? Seattle Public Schools does not provide counselors for elementary schools, except Title 1 schools. Benefits of our school's counselor include:

- Providing one-on-one counseling for students and running group sessions for students dealing with divorce, death, being new to the school (or Seattle);
- Offering "lunch bunch" for kids needing extra social emotional support;
- Delivering additional support and information to parents and teachers;
- Giving teachers more options to help all students;
- Coordinating programs with the Ballard Food Bank for students who need food on the weekends;
- Providing critical support for the school - even more so now that our school is over capacity.

With that in mind, during the live auction our auctioneer will invite you to raise your paddles high and often to continue to prepare our children for their future endeavors with the support of our school counselor.

# **SILENT AND LIVE AUCTION GUIDE AND RULES**

## **Registration**

Upon entry, each guest will be given a bid card with a unique bid number. Keep your number with you at all times; your bid number is necessary for both the silent and live auctions. Bids are not valid without the correct bidder number. By bidding in the live or silent auctions, each bidder agrees to these auction rules.

## **Silent Auction**

Items offered in the silent auction will have bid forms on the table nearby with their catalog number on the bid form. You may bid by writing your BID NUMBER next to your BIDDING AMOUNT on the form. If the minimum bid is not observed, the bid is void. You may bid on any item in the silent auction until the section is closed at the time posted. At the close of the silent auction section, an auction official will remove the bid sheet. The bid acknowledged by the official is a legal contract to purchase that item.

## **Live Auction**

When bidding, hold your bid card toward the Auctioneer. The highest bidder acknowledged by the Auctioneer shall be the purchaser. The Auctioneer's decision is FINAL. A bid acknowledged by the Auctioneer is a legal contract to purchase the item. The Auctioneer reserves the right to reject any bid which is a minimal fractional advance over the prior bid.

## **Payment**

All sales are final and there are no exchanges or refunds. We will gladly accept your payment by currency, check, VISA, Amex, Discover, or MasterCard. Payment in full is mandatory at the auction. Checks should be made payable to "North Beach PTA." Winning bidders can pay for their purchases with the cashier at the close of the live auction or sign up for Express Checkout at registration. All auction items will be awarded to one purchaser only. The top bid for an auction item will not be split among bidders who may have agreed to pay a portion of the top bid amount. A purchaser who wishes to split the payment for an auction item must collect the individual payments from the other bidder(s).

## **Purchases Pick-Up**

The purchaser assumes the responsibility to locate and remove purchases from the auction premises.

## Limitations

All items and services must be claimed and used within one year of the auction date unless otherwise noted. We have no authority to make exceptions. Reservations for trips, accommodations, experiences, and tickets must be mutually agreed upon with the donor unless otherwise noted. No refunds will be allowed on travel packages for canceled tickets and/or accommodations. Restaurant items DO NOT include liquor, gratuity, or Washington State Sales Tax unless otherwise noted. Other restrictions may be noted on individual gift certificates. North Beach PTA reserves the right to withdraw any items from the auction prior to bid.

## Warrantees

North Beach PTA has attempted to catalog and describe the property correctly, but all items are sold "as is." North Beach PTA neither warrants nor represents, and shall in no event be responsible for the correctness of the description, genuineness, authorship, provenance, or condition of the property. No statement contained in the catalog or made verbally at the auction or elsewhere shall be deemed to be such a warranty, representation or assumption, or liability for tax purposes or fair market value. Items have not been appraised unless otherwise noted. Fair market value is an estimate of the retail value. Generally, we depend on the donor to give us a reasonable estimate of the item's retail value. ALL SALES ARE FINAL. Each person issued a bid number assumes all risks and hazards related to the auction.

Each bidder agrees to hold harmless from any liability arising therefrom the North Beach PTA, its elected and appointed officials, members, employees, the event organizers, sponsors, and/or volunteers connected with the auction.

## Tax Information

The North Beach PTA is a charitable organization, under 501(c)3 - Tax ID 91-1320831. Any deductibility of monies spent are governed by IRS regulations. Please consult your tax adviser for any further information.

Local glass-blowing class at Blowing Sands. A class of up to six attentive students can learn about and make glass paperweights from a professional glass artist/instructor. The lesson starts with gathering colorless clear glass from the furnace. Students will pick their colors to add, twist the molten glass, then shape the interior of the paperweight. A second layer of clear glass is added, then the students will use a wooden tool to give paperweight its domed shape. Glass will then be placed into the annealing oven for a slow overnight cool. Participants are asked to wear long-sleeved, non-synthetic clothing and closed-toed shoes.
